PHOTOGRAPHY AGREEMENT

How do I book?

Pay a non-refundable BOOKING FEE (deposit) of R1500-00

Fax or e-mail proof of payment together with the signed contract to elmine@freelancephotographer.co.za fax number 0866924099. Should both not be received, the date will be remaining available to other clients. Full outstanding amount is payable 5 days prior to your wedding date. The contract is a binding document. Please read it carefully. You just ask, and I will send it to you.

Do I include my photographer in the meal?

Yes, please. No need for a seat in-

between your guest, but a table similar to your DJ's will be good. There are so many correspondences about this on social media. You do not expect your DJ to put his equipment on the floor? ☺ Photography equipment is just as expensive and I would prefer putting them safe on a table instead of on the floor. Thank you for understanding.

When do I book the pre-wedding session?

As soon as your date is confirmed with the booking fee, you can book the date for the pre-wedding session. It will be approximately 60 minutes in the George region from Mondays to Fridays. These images (approximately 70) will be written on your USB with your wedding images. Professional make-up and styling is a must for this session. This is your chance to dress up and get rid of that old t-shirt! Arrange for your make-up trail to be done on the same day as your pre-wedding session. Should you not be interested in this session, I will gladly add an extra hour to your package.

WHEN DOES MY PACKAGE HOURS START?

When you want it to start! Normally it is 2.5 hours before the ceremony time and ends 2 hours into the reception.

What do my package hours cover?

Photos of the Décor (if location and package hours allow it)

Groom Preparation (if location and package hours allow it)

Bridal Preparation

Ceremony (1 hour)

Family Photos

Bridal Party

Newly Wed Session (1-1.5 hours)

Reception (normally 2.5 hours)

What if we go over our chosen package hours?

No problem! Extra time can be booked at R750 per hour.

What about transport?

You receive a complimentary total of 100km with your package. Every km above 100 will unfortunately be charged at a rate of R3.50/km and will be added to your final invoice once I received all the relevant addresses

We Often Hear About The Golden Hour? What Is This?

That is the perfect time for photography. It is the hour before the sun sets when you get that soft light. A good starting time for your ceremony would be 3.5 hours before the time of sunset. Please contact me if you do not know these times. Your pre-wedding session will be done at this hour.

WHEN DO WE RECEIVE OUR WEDDING PHOTOS?

A sneak will be posted on my business facebook page 2 weeks after the wedding date. You will receive the USB from 4 weeks after the wedding date and any books or albums from 7 weeks. Please note that from September to April this can take longer.

I want to look 20 years younger on my photos ... for digital manipulation, please visit a graphic designer. Included in the packages is basic digital enhancement.

What If I Do Not Want Any Images On Social Media?

Not a problem, but you have to inform me. Out of respect please... no additional editing or filters to images are allowed for display on social media as well as the cutting of my logo.

Why professional make-up?

Wearing a bridal dress without professional make-up is like driving a car without petrol! Also note that there are a difference between a professional make-up artist and a beautician. You are welcome to contact me regarding this, because my paper is not enough to stretch the importance of this topic ☺

By booking Elmine Botha Freelance Photographer the client agrees to all of the above.
